Dear Sinking Spring Church Family:

I am writing to share some wonderful news with you!

The Service and Outreach Team has established seven (7) – (2) two person teams that are ready, willing, and able to deliver essentials—groceries, medications, etc.—to members and others in our community who may be quarantined or homebound.

Our Coronavirus Response Teams are in place and ready to respond quickly to needs as they may arise in the coming days, weeks, or months. If you become aware of someone in our congregation or community who needs the assistance of one of our Response Teams, please contact either Angie Haynes or the church office so that the Service and Outreach Team may assign a Response Team to assist.

I am grateful for the Service and Outreach Team's efforts in quickly forming the Response Teams and for the willingness of those volunteering to serve on a Response Team. Now more than ever, our community and our world need us. They need us, the people of Jesus, to be a visible expression of Christ's grace, love, and mercy.

Thank you for being a loving and responsive congregation that is ready to serve faithfully by responding to the needs of our community in Jesus' name.

Grace and peace to you,

Rev. Kevin M. Campbell  
Interim-Transitional Pastor
